

National Services Industries / North Brothers Chapter 7 Estate
Frequently Asked Questions

If I already have a judgment or unpaid settlement against National Services Industries, do I need to submit the additional support documents under the Asbestos Claims Procedures?

No. You only need to create an injured party record on the website and upload a copy of the judgment / unpaid settlement. Nothing further is required for the qualification review.

If I did not already file a Proof of Claim, where should I submit the support for my asbestos claim?

You must first file the Proof of Claim Bankruptcy Form B410 with Prime Clerk LLC on their website <http://cases.primeclerk.com/NSI>. We strongly recommend that you file your claim electronically if at all possible. If you must send via US Mail please send as follows:

Prime Clerk LLC
850 3rd Avenue, Suite 412
Brooklyn, NY 11232

Once your Proof of Claim is filed and processed by Prime Clerk, your asbestos claim support documents should be filed with PACE at nsi.ch7trusteeservices.com. Your claim will be returned to you as deficient if you submit your documentation to PACE without first filing the Proof of Claim and providing the claim number provided by the court.

Can I still file a claim if my symptoms manifested after the National Services Industries petition date (July 12, 2012)?

Yes. Your claim arose upon exposure even if you did not become aware of your symptoms until after the bankruptcy case was filed. You will need to file a Proof of Claim and submit your asbestos claim support documents as provided for in the Asbestos Claims Procedures.
